# MANAGER'S MESSAGE

September 2019

As we say goodbye to “summer” and look forward to fall, we can now see the changes that are taking place in our community!

The pads for the new RV sites are moving along quickly. The patios will be going in very soon on many of them and the projected date for 10 new pads is November 1, 2019. The remainder of the RV sites will be completed by December 1, 2019.

The new homes have been ordered and will be arriving the week of September 16, 2019. There will be two (2) homes arriving each week until all ten (10) are here. The land is being cleared and old concrete is being removed from the sites where the new homes will be placed. The first two (2) will be placed on Lot #1 and Lot #33.

The Food Distribution on September 7<sup>th</sup> at 4:00 pm has been canceled due to storm the next one will be September 21<sup>st</sup> at 4:00 pm. Location will be outside the front office. (1<sup>st</sup> and 3<sup>rd</sup> Saturdays of each month) **We could use your help with the food pickup and the actual distribution of the food...** Please volunteer by contacting the front office. **A BIG THANK YOU to all the people who have already volunteered!!!**
