

OCTOBER NEWSLETTER

Fall is arriving with some nice cooler weather in the morning and evenings. With more people out in the morning and evenings please be careful when driving through the community and keep your speed 15 mph or less. Many people have been decorating the outside of their homes, so a big thank you for making our community festive.

FOOD DISTRIBUTION CANCELED FOR OCTOBER

We will not be having food distribution this month due to a complaint, but if you are in need please contact the office for places that do have services available. We really appreciate our volunteers that put 4 – 8 hours time into this activity, so if you see them around give them a big thank you!

WATER SHUT OFF

Unfortunately, residents and guests are still driving and/or parking on the grass. Water and sewer pipes are being broken.

Please do not drive or park on the grass.

Also, with construction starting, it is important to leave flags where they are and be observant not entering construction areas (*please make sure your kids are informed of this too and especially not putting them in the bathroom with a mess*).

BULK PICK-UP SATURDAY OCTOBER 9

BE RESPECTFUL PLEASE

Please do not put your items curbside until the night before bulk pick-up. Residents have been putting their items curbside and leaving them there for weeks.

Bulk pick-up is the SECOND Saturday of each month.

Please keep your items at your home until the night before pick-up.

UPCOMING ACTIVITIES

Karaoke Saturday, October 16th from 4:00 p.m. - 7:00 p.m.

Miami vs. Chicago Football Game Sunday, October 24th at 4:00 p.m.

Rock Painting Saturday, October 30th at TBD

Coffee and Donuts Tuesdays 9:00 a.m. -10:00 a.m.

Poker Evening Tuesdays 6:00 p.m.

Church Service Sundays 6:00 p.m. - 7:30 p.m.

Meet and Greet for all the Residents Monday, October 18th at 7:00 p.m.

I will do a meet and greet for all the residents so we can welcome new and meet neighbors and **I will have the renditions of the renovations available for you to see!** It is exciting to see the new amenities and they should be finishing the new office and starting the basketball and bocce courts soon!

NEW HOMES ARRIVING!

Five new homes have arrived and are being "set-up" with more to come this year. This is exciting for the park and will increase your "curb appeal". Due to the construction there are some items on the roads that might cause a flat tire. If you see anything while walking please help us and pick it up

LOOKING FORWARD ...

Next month we are planning a **water exercise time for adults, a kids night, resident garage sale day and a Thanksgiving dinner**. If you are interested in having an activity please let us know as there are supplies provided. Please look for flyers and emails on all these activities and be sure and sign up so we can be prepared.

THINGS TO REMEMBER ...

Vehicles are also to be off the streets every night between 10 PM and 6 AM and all day Wednesday so the trash pick up and emergency vehicles can pass through (repeat violations will be towed). Do not use the dumpster as we have had several calls from Waste Management as it can only be filled to the line level. You should not be in the compound area unless you are renting a space and even then you are to keep your items together in one space or rent more than one space. Also, keep your compound space tidy and not move to a new one leaving a patch of unkept grass.
